ABOUT US

Pilgrims Hospice Society offers compassionate care for individuals living with a terminal illness, enhancing dignity and quality of life from diagnosis until the end of life. With a whole-family approach, we also support caregivers and those grieving the death of a loved one. At the core of our care is a 12-suite residential hospice that provides 24/7 nursing care for individuals in the final stages of life.

As a registered charity, Pilgrims has been delivering quality programs in Edmonton and nearby communities since 1994.

“I have two people in my life that took advantage of your grief counselling and it helped immensely at a time [when] they felt absolutely hopeless. We learn so much about living and yet our other certainty, dying, is left for us to wonder and guess. Thank you Pilgrims Hospice for being here.”
 – Barbara Mickelson
